The retreat officially begins Friday at 10am and ends Sunday by 1pm of each event.

Take advantage of our early bird discount. See registration form for details. We do not currently do a group discount.

• How do I make it a four day retreat?

We offer a pre-retreat arrival day on Thursday of our events. Most of our women opt to arrive early to get settled and a head start on their projects. Note there are no meals on Thursday, but you may bring a bag supper or visit a local restaurant close by.

• May I bring my young child?

In the spirit of pampering weary women, we ask you not to bring young children. Participating daughters aged 12 and up are welcome.

• Do I have to attend the speaker's sessions?

Participants are encouraged to attend speaker's sessions, but it is always optional. To promote and support our spiritual purposes, we ask that conversation and behavior be appropriate to the setting of our center.

• May I bring alcoholic beverages or snacks?

Alcoholic beverages are not allowed at Singing Hills. Snacks and plentiful meals are provided with the cost of your retreat price. You may bring your own snacks or dietary needs. We have refrigerators in the lounges to store your items, a snack and gift shop, and soda machines available.

2011 Speakers (Fall quilt retreat speaker yet to be announced)

Kristi Stoughton has worked for Stampin' Up!, a rubber stamping and scrapbooking company, since 1996. During the course of her career with Stampin' Up! she has had extensive presentation experience as a speaker at their nationwide events, and has twice earned the prestigious "Demonstrator of the Year" award. As a speaker for women's events, Kristi has a passion for women to know God's love deeply. She loves to share about the joyful, exciting, heartbreaking, beautiful, victorious, rollicking adventure that is Life in Christ! **Kristi will speak at our spring scrapbooking retreat.**

Author and Speaker Lucinda Secrest McDowell has been a storyteller all her life! Her greatest joy is to make God's faithfulness visible and real through practical illustrations of biblical truth in ordinary life. Through her ministry, Encouraging Words that Transform, she brings enthusiastic wit and wisdom as an international conference speaker and seminar teacher. Cindy is privileged to have had a variety of life experiences such as radio producer and broadcaster, editor and journalist for two international conventions, and has directed missions, women's ministries and pastoral care at large churches in both California and Connecticut. **Lucinda will speak at our fall scrapbooking retreat.**

Shirley Vogel's greatest joy in ministry is to share with others the extremities of God's love, grace and faithfulness in her own life. However, no one is more surprised than Shirley that God has chosen to use her in many leadership roles and now with an effective speaking ministry. Shirley was so shy that even as an adult, she couldn't find courage to teach a Bible lesson to five-year old children. But God had specific plans for Shirley's life, and she uses her story to help women anticipate what God has planned for them. **Shirley will speak at our spring quilt retreat.**
